

Parkgate Early Years Foundation Stage

Our Vision

‘Opening the Gate to Success’

At Parkgate, our children will become
happy, engaged, sociable
and resilient learners.

We aim for our children to grow in confidence and independence through a variety of well-planned teaching opportunities and purposeful play delivered in an inclusive, nurturing and enabling environment during their time in the Early Years Foundation Stage.

“Children learn as they play.
Most importantly, in play, children learn how to learn.”

O. Fred Donaldson
